

Louise Simons

Team Assistant

Email: louise@sero.life

Office: +44 (0) 29 2000 1415

Visit: serohomes.com / seroenergy.com

Louise's role at Sero is Team Assistant which means she is the person who wears many hats.

Louise's background draws strengths from experience in "all things admin" and has worked in different types of environments from Corporate to Public Sector and has previously worked in the Renewable Energy Sector as a PA/Team Support.

Being at Sero means Louise can feel she is helping customers find a happy balance in their homes and lives whilst contributing to the cause in helping save the environment – even if its small steps.

Outside of work, Louise is very much a family person, adores dogs and enjoys visiting the Pembrokeshire coast as much as possible for relaxing breaks.
