

Rhys Thomas

Project Manager - New Build

Email: rhys@sero.life

Visit: sero.group

I have spent the last 12 years working for contractors and developers working on a range of projects in South Wales and the South West of England predominantly residential. My roles have been primarily design / technical functions, but I have also been heavily involved in strategy, Business Development, client relations, business systems and land and planning. I'll pretty much give anything a go!

I have always had a passion for housing and currently serve on the Newydd board as Vice Chair, it has enabled me to understand housing from a distinct perspective and consider matters from a tenant view.

Outside of work I have a young family with a little girl who's just turned 1. So, spending as much time together and introducing her to everything on the farm is great fun.

I've missed the spontaneity of been able to grab a pint in the pub over the recent lockdowns, I'm looking forward to getting back to some sort of normality and settling into the office on Westgate St. so we can all meet up in person at Tiny Rebel!
